Abu Dhabi Neuroscience Milestones & Innovation: Patient Forum – Abstract Guidelines

RULES FOR ABSTRACT SUBMISSION

1. All abstracts for the Abu Dhabi Neuroscience Milestones & Innovation: Patient Forum, must be submitted and be received on or before **31st August 2025** through the Online Abstract Submission System.
2. Revisions are not accepted after the deadline.
3. Abstracts must be original of the authors and have not been published previously.
4. Authors are required to indicate their preference for either **oral or poster** presentation. The scientific committee will make the final decision on the presentation format (i.e., oral or poster).
5. Acceptance of abstracts will be communicated via e-mail to the corresponding author starting from the **15th September 2025**.
6. Should the abstract not be accepted as oral, it might be accepted as a poster.
7. Abstracts will be peer reviewed and ranked according to their scholarly and/or research validity, educational value, clarity of presentation and their educational and scientific impact.
8. The Scientific Program Committee reserves the right to accept or refuse an abstract, to designate abstracts either poster or oral presentation and to choose a suitable session for the abstract. The authors' preference of the type of the presentation and theme will be taken into account.
9. Acknowledgement of the receipt of abstract submission will be sent to the Presenting Author's email address immediately upon submission. The Presenting Author will receive all correspondence regarding the abstract status, presentation type, date and time, via the email that is provided in the abstract submission.
10. Instructions on the preparation of poster or oral presentation and information about projection facilities will be included with the notification of acceptance.
11. Submission of an abstract indicates that:
    o the author(s) agree to comply with the abstract submission and presentation rules;
    o the author(s) confirm that the presentation is based on scientific and/or clinical methods that are ethical and valid;
    o all authors have contributed to and approved the abstract
12. Accepted abstracts are official communications of the Conference.

INSTRUCTIONS FOR ABSTRACTS PREPARATION

1. Abstracts must be written and presented in English.
2. Abstract must be uploaded in WORD format (.doc; .docx)
3. Title, authors' names, authors' affiliation, and presenting author must be provided by filling the online form
   - Title: Use a concise descriptive title that indicates the content of the abstract. Please minimize the use of abbreviations in the title. Commercial trade names for drugs, devices, products, and services should NOT be used in the title.
   - Author: The full name and the full surname for each author must be provided. Do not include degrees or titles.
   - Affiliations: Each author should be listed by department, institution, city, and country.
4. The body of the abstract text should not exceed **300 words**. The online submission program will automatically not allow submissions that do not fit this requirement.
5. The body of the abstract text must be divided into the following subheadings as appropriate. Each sub-heading should be in bold text, begin on a new line, and followed by a colon and space (:). The text for each sub-section should begin immediately after the colon and space (see sample abstract below).

- **Introduction:**
- **Objectives:**
- **Materials and Method:**
- **Results:**
- **Conclusions:**

ABSTRACT TOPICS:

For reviewing and scheduling purposes, abstracts will be classified into thematic areas.

The Conference Scientific Committee will assign a topic to your abstract in order to achieve a well-balanced scientific program.

Abstract Submission topic should be related to the field of neuroscience.
