Business Areas

Spinal acupoint acupressure bed for the health and happiness of all humankind

It's different when 3H makes it!

Achieve a healthier state for your back and waist with the ergonomic design that stimulates the vertebral joints from first rod to the eighteenth rod 3H's patented technologies.

- 60 two ergonomically designed acupressure rods
- Traditional herbal pressure therapy to stimulate acupoints
- A combined medical device that passed the medical safety standard test
- A heat-controlled thermal mat with hexagonal Ceramic (Up to 70°C)
- Material selection and sturdy production for the body such as High quality wood
- Versatile and convenient use with remote control

<p>Quieter with a patented technology</p> <p>It gently loosens the spinal joints, and minimizes the operating sound so that the user can rest more comfortably.</p>	<p>Moxa effect with the application of 70°C thermal acupressure</p> <p>The acupressure rods made of aluminum and brass work safely at a high temperature of 70°C. They provide not only thermal effects but also moxa effects.</p>	<p>Application of vertical acupressure in every corner of the erector muscle of spine</p> <p>Sixty-two acupressure rods pressurize the erector muscles of the spine vertically from the first rod to the eighteenth rod to relieve muscle pain and promote blood circulation.</p>	<p>Publication of KCI-level thesis</p> <p>Combined stimulation bed research paper [Effect of Combined Stimulation Bed on Stress Relief] by July 2020</p> <p>Published in "Emotional Life and Platform", a KCI-level journal related to emotional science, recognized for its excellence.</p>
<p>The acupressure points in the body</p>	<p>70°C</p>	<p>Simulate Moxibustion and acupressure</p>	<p>Theta wave Increase 22%</p> <p>Heart rate Reduction 21%</p>

Introduction to Technology & Product(s)

3H-820 HP

Feature

- Mainly used in the physiotherapy and oriental clinics of hospitals.
- Users can enjoy the effects of acupressure, massage and thermotherapy, even in a small space.

3H-820WD

Feature

- Luxurious high-grade wood frame
- Premium acupressure single bed with practical design
