INTIN develops and manufactures convenient, easy to use digital healthcare products, providing services for all users.</p>		
Introduction to Technology & Product(s)	<p>OVIEW M PRO</p>  <p>OVIEW Sperm Tester PRO allows you to check sperm concentration and motility through the self-test at home. Simple and convenient but also time saving from having to visit the fertility clinics. OVIEW Sperm Test has been clinically proven to be up to 99% accurate and instant results can be seen with OVIEW M application within minutes from testing.</p>		

OVIEW MULTI

OVIEW Multi helps users to diagnose and treat their respiratory symptoms. With Multi's interchangeable modules, users can select from a variety of module features; such as LED care, nose cleaner, nebulizer, spirometry, thermometer and stethoscope. One power unit with multiple head modules, users can select and change the device according to their needs. Also all health related records can be saved and shared with professional physicians using HL7 FHIR communication standards adapted to OVIEW Multi application.
